HOW TO CREATE A GREAT OFFER

1

Set Your Goal

What's your vision of success? Of course you'll want people to visit your store. But what specifically would make the holidays a success for you? What is that dollar amount? How many existing customers would you like to get in the store? How many new customers?

Write down your goals. Pick ONE that you'll use for this offer.

2

Understand Your Audience

Understand who you're talking to so you can make an offer that appeals to them. To get started, think about one of your best customers. Create an offer that would appeal to that person specifically.

Write down your answers. Pick ONE that you'll use for this offer.

What does your best customer want or need? What would really "Wow!" this customer?

What is it about your business that would make this person want to refer you to their friends?

3

Understand Your Value

Your customers have a lot of options—why would they want to support your business?

What products or services do you provide to make your best customer's life better?

There are probably many things that make you valuable to your audience. Write them down.

Pick ONE key aspect of your value to use for this offer.

4

Create Your Great Offer

Take the one thing you chose from steps 1-3 and put them together to answer the question:

Why should someone come into your store for your holiday offer?

Email 1

Announce your holiday offer (send when you have your offer ready). Let your customers know about your offer and why they should act on it.

Email 2

Send a reminder one week before your offer expires. This is it. Your holiday offer is almost up. Let your contacts know when and how to take advantage of the holiday offer.

Email 3

Send a "Last Chance" reminder email. A day or two before the end of the sale, give your customers one last chance to take advantage of your holiday offer.

Sample 3-post Facebook promotion plan:

Post 1

Ask people to join your email list to get a special offer. Include a link to your sign-up form with the following status:

"Shop small this holiday. Join our email list for a special holiday offer."

Post 2

Remind people they still have time to get your holiday offer. Post a relevant image to your Facebook Page with the following status (be sure to include a link to your sign-up form):

"There's still time to get our special holiday offer. Join our email list to get it in your inbox."

Post 3

Share a "Last Chance" reminder. Post a relevant, eye-catching image and the sign-up link to your Facebook Page with the following status:
